## **The Official International Wade Collectors Club Membership Series (1995 – 2023)**

In September 1994 the Wade Collectors Club published the first Official International Wade Collectors Club Magazine, sent each quarter to club members. Beginning in 1994 the Wade Collectors Club issued a special membership piece each year, free, to each new or renewing member. In 1995, along with the free membership piece, the Club began issuing a special series available for purchase only to club members, which included four figurines – one for each quarter. Beginning in 1999 the series often included the first figurine of the series as the special membership piece, along with an additional four – one per quarter – for purchase, plus a limited edition piece available only to those members who had purchased the complete set during the year. There were also other “members only” special promotions throughout the years.
